- 5 - KLONDIKE
- 6 - NO END
- 7 - NUMB
- 8 - PURE WHITE
- 9 - SNOW AND THE BEAR

A destructive young woman, Zeynep, is accused of intentionally causing a car accident to harm her boyfriend. She flees from Berlin to her parents' house in the Turkish province, close to a dormant volcano, the Mount Ararat. With her sexual aggression she turns her parents' deadlocked marriage and an entire society upside down - but not the dormant demons from her past.

Ishak (35), is a wandering musician from a small mountain town. A lynching he was a part of 7 years ago comes back to haunt him as he returns to his town to say farewell to his dying mother. Facing the other five perpetrators--his childhood friends—as well as the community and government officials supporting them, Ishak struggles with the guilt weighing upon him. However, the bigger the crime is, the stronger the silence gets since everyone has blood on their hands.
